Dear Bill:

Please pass along my sincere thanks to everyone at Precision Planning for your generous contribution to the Boys & Girls Club of Thomson-McDuffie County. It is people like you that enable us to reach out to kids that need our help and really make a difference. We keep statistics on our members and know that we are making a difference in teen pregnancy rates, truancy, and graduation rates. It couldn't be done without you. I have enclosed a photograph of some of the kids whose lives you are helping to change.

Precision Planning has been an excellent community partner within McDuffie County. I look forward to working with you in the future to make great things happen.

With sincere gratitude,

Charlie Newton
